TimeSolv's Attending the ABA Techshow 2019

TimeSolv is excited to be attending this year's ABA Techshow! The ABA Techshow will be hosted between Wednesday 27th February – Saturday 2nd March 2019, in Chicago, Illinois.

TimeSolv will be at booth number 512, stop by to say hi and pick up some chocolate!

We'll even be doing a presentation on the 7 Ways to Increase Billable Time on Friday 1st March at 15:10 pm at the LawPay Partner Suite at the ABA Techshow.

This is a great opportunity for legal professionals to learn about the latest technologies geared towards the legal space.

We look forward to seeing you guys there.
