

Tip of the Week: Outsourced Legal Billing

With these trying times that everyone is facing, TimeSolv is constantly working to find ways to make your lives easier. We wanted to make sure our users know they have Outsourced Legal Billing as an option for firms who have had their billing systems interrupted.

Time is money, so why spend so much of it doing your own billing when you don't have to. TimeSolv has a one-of-a-kind Outsourced Legal Billing service that provides a fast, efficient, and cost-effective solution for billing, which is perfect when you need to free up as much time as possible for other tasks. It's the ideal choice for lawyers who recognize the advantages of applying their valuable time to practicing law instead of creating invoices.
