

Spreading the Gospel of Fixed Fee Billing

We've done a lot here at TimeSolv to encourage and promote the use of [fixed fee billing](#) and using [legal project management](#) to budget wisely and produce profitable fixed fees.

Last month our CEO Raza Hasan had a chance to spread the word about fixed fee billing with prolific legal tech blog writer Bob Ambrogi. Widely viewed as an influential speaker and writer about all things legal tech, Ambrogi's LawSitesBlog truly lives at the crossroads of law practice and technology.

[Read here Raza's views on fixed fee billing](#) and the benefits TimeSolv users can enjoy by using our platform to successfully use fixed fees for their clients.
