

# Tip of the Week: New and Improved Statement Options (again)

---

Ok, I'm sort of cheating with our Tip of the Week today. It's really a rehash of a blog post published on Friday. But we think the subject is important enough to mention again for our regular Monday post.

TimeSolv is releasing an update on Tuesday, July 12 at 5 p.m. Central time that changes the way Statements will appear to your clients. More importantly, it also allows several new options making what you present in your Statements much more flexible.

[Read our blog post from Friday](#) to learn all the details of this coming change.

Please call us at 1.888.570.0475 with any questions or help in adjusting your Statements to include these new features or Contact support.
